- A minimum 6-month-valid (as of the date of travel) passport
- Flight (or any other possible means of transportation) reservation
- Credit or debit card (Mastercard or Visa)
- For detailed information please visit www.evisa.gov.tr

The whole process is completed in 3 steps.

Step 2: Payment

You can make the payment by credit or debit card. (Mastercard or Visa) Visa fee is deducted from your account after your application is approved.

Your e-Visa will be e-mailed to you within 24 hours after completion of your application. You are required to print out your e-Visa, show it to airport officials and customs officers and keep it with you throughout your stay.

Who is eligible for e-Visa?

The citizens of the countries listed in Table 1 (back page) are eligible for e-Visa. The citizens of the countries listed in Table 2 (back page) are also eligible, provided that they comply with some criteria.

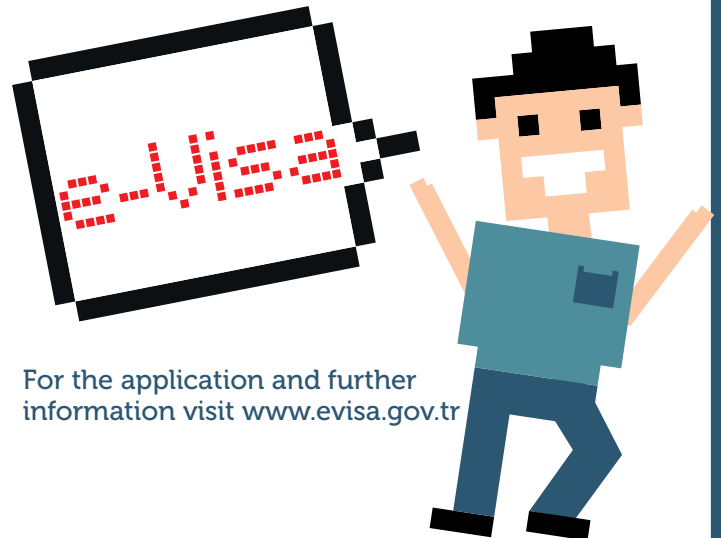

To check these criteria, go to www.evisa.gov.tr, click "Apply Now", and choose your country. E-Visa is valid only for tourism or trade purposes. For other purposes, such as work or study, you must make a visa application through Turkish Embassies or Consulates.

Airline Requirements

For e-Visa to be effective, citizens of certain countries are required to travel to Turkey by the airline companies that concluded protocols with the Ministry of Foreign Affairs of Turkey. In this regard, you are expected to read the notifications in the application step carefully.

The validity period of your e-Visa begins from the date specified in your application. You can enter Turkey on any date within this period. If you do not use your e-Visa within this period, you need to make another application for a new e-Visa.

You can get a multiple-entry e-Visa if you are a citizen of certain countries. To check your eligibility, visit www.evisa.gov.tr, click "Apply Now", and choose your country.
